

UC Davis History Honors Program Faculty Letter of Recommendation

To the Faculty:

Please write a short paragraph that indicates your evaluation of the applicant's past work (if known) and the quality and feasibility of the thesis project proposal. You should work with the student's two- to three-page proposal, submitted with the application. Please indicate your sense of this student's preparation, qualifications and interest in this project. Please also indicate your willingness to work with this student or any hesitations you might have about the project. If you prefer to print your letter on a separate sheet, please sign this page and include it as a cover sheet.
